

Instructions for downloading mobile app:

iPhone:

- Go into the App Store and search “Wiregrass “or “Wiregrass FCU”
- Select the “Wiregrass FCU Mobile” App and Click “Free” and then “Install”, where you will then be prompted to enter your Apple ID to download
- From there, the app will be available in your list of apps

Android:

- Go to Google Play Store for apps (just listed as “Play Store” in your list of apps) and search for “Wiregrass” or “Wiregrass FCU”
- Select the “Wiregrass FCU Mobile” App and select “Free”, and then “Install”, and accept the permissions
- From there, you will be able to select “open” or open the app from your list of apps
