Terms of Offer: Skip-A-Payment requests are based on approval criteria established by the credit union. You must be a member in good standing and all loan payments must be current to qualify. Acceptance of this offer will extend the term of the loan and interest will continue to accrue. The Skip-A-Payment promotion applies to consumer loans only and excludes real estate and credit card accounts. Loans with added insurance are not applicable. Additionally, if you have GAP Protection, any amount of the loan that is skipped may not be covered under the GAP Protection-See your GAP contract for details.
